CEO, Magistrates' Court of Victoria

*Court Technology - Updates & Developments
Conference*

Transcript Management Production – Digital Recording

Mick Francis, CEO, Magistrates' Court of Victoria

Similarities with Alberta Courts

- FTR recording & Log Notes
- Document Storage
- Train the trainer

Status in Victoria

- Integrated in-court technology solution
- Touch screen control

Magistrates' Court Pilot

- Non proprietary solution
- Cost \$60,000 (150 courts & chambers)
- Integrated with *Courtlink* (search function)
- Can be integrated with FTR (transcription)
- GUI (recording, copy disc and player)

Gangland & Police corruption committals

- Existing cabling infrastructure (in-court technology)
- Security Solution
